ASX RELEASE – Tuesday, 27th May 2008

OzLotteries.com and *ninemsn* co-branded website goes live

Manaccomm Corporation Limited (ASX: “MNL”) today announced its new co-branded website with *ninemsn* was in full operation in time for one of the biggest weeks in Australian lottery history, with more than \$60 million up for grabs. This included Thursday’s \$40 million Powerball jackpot and Saturday’s \$19 million Superdraw.

The site is now accessible from www.ninemsn.com.au and also ninemsn.ozlotteries.com.au.

Manaccomm announced last week that its popular online lottery division, OzLotteries.com, had signed a partnership agreement with *ninemsn*, Australia’s leading online media company.

“The release of the co-branded website was accelerated to benefit customers wishing to purchase tickets for this Thursday’s \$40 million Powerball and Saturday’s \$19 million Superdraw,” Manaccomm’s CEO, Mr Mike Veverka, said today.

“Through the co-branded website, *ninemsn*’s audience will be able to join OzLotteries.com and buy a suite of Australian lottery games, as well as utilise its industry-leading lottery services,” he said.

About Manaccom

Manaccom Corporation Limited - which last week announced plans to make its maiden dividend payment to shareholders this year - is divided into three divisions.

- 1. Online Lottery Division.** This division is involved in the sale of Australian lottery tickets from www.ozlotteries.com and from a number of outlets in Pacific countries such as Fiji, Samoa and Norfolk Island. Key relationships include Tattersalls and NSW Lotteries Corporation.
- 2. Software Publishing Division.** This division publishes and markets popular software titles through large retailers and independent resellers. Key relationships include Harvey Norman, Dick Smith, Officeworks, JB Hi-Fi and Trend Micro. Recently Manaccom was selected as a preferred software supplier for Harvey Norman OFIS when the new OFIS stores were launched in late March 2008.
- 3. Jumbo Interactive.** This division is involved in internet advertising and online traffic management. The division operates a number of websites including www.jumborewards.com and www.jumboaffiliates.com.
