ASX RELEASE – Wednesday, 9 July 2008

New Tattersall’s Agreement to 2013

Leading Australian IT and e-commerce company Manaccom Corporation Limited (ASX:MNL) is pleased to announce that a new reseller agreement has been signed with Tattersall’s extending the relationship to June 30, 2013.

The reseller agreement replaces the existing agreement that was in place until 2010 and gives the Company the continued right to sell lottery tickets via the web at www.ozlotteries.com and also via the Company’s network of lottery terminals throughout the Pacific.

The agreement was signed with Tattersalls Sweep’s Pty Ltd (a subsidiary of Tatts Group Limited) to comply with Tattersalls’ revised lottery license with the Victorian Government.

“I am pleased to continue our relationship with Tattersall’s for another 5 years until 2013”, said Mr Mike Veverka, CEO of Manaccom.

“The longer agreement is testament to the system improvements and sales increases we have achieved since acquiring TMS in 2005”, he said.
